

Certificate of Completion

This is to certify that

Amaan Hossain

has successfully completed
the Advanced Lokalise Onboarding course

The recipient of this certificate is deemed competent to use Lokalise TMS to the full extent in their day-to-day work to manage projects, teams, contributors, and groups, work with translation keys and files, utilize the translation editor, as well as employ advanced Lokalise features, including setting up automations, vendor rate profiles, integrations with third-party services, and segmentation.

A handwritten signature in black ink, appearing to read 'Ilya'.

Ilya Bodrov-Krukowski,
Lead of content at Lokalise
