lokalise

Certificate of Completion

This is to certify that

Donatella Pirata

has successfully completed

Jump-start Lokalise: Foundations

The recipient of this certificate has demonstrated the knowledge required to work confidently with Lokalise core features, including projects, translation keys and files, the translation editor, translation memory, glossaries, tasks, AI-assisted translation, and content localization workflows.

Date received:
23 Oct 2023

Ilya Krukowski
Lead Content & Knowledge Manager
